

LIGHTWEIGHT AND PORTABLE BRAKE MAINTENANCE TOOL

18-V RECHARGEABLE BATTERY

PERFECTA 4 DESIGN BATTERY

ARTICLE NO. 923.004.000

The Perfecta 4 Design Battery is a lightweight and portable brake maintenance tool designed for professional use. Thanks to its 18-V Makita battery, it is cordless and offers exceptional flexibility. A continuously adjustable pressure regulator and a universal rubber cone with built-in strainer ensure comfortable and reliable operation.

- CORDLESS OPERATION WITH AN 18-V MAKITA BATTERY
- LIGHTWEIGHT AND PORTABLE
- INFINITELY ADJUSTABLE PRESSURE REGULATOR
- UNIVERSAL RUBBER CONE WITH BUILT-IN STRAINER
